Outside the Classroom: After-School Activities
Homework Club

Students from Years 4 to 6 have access to an after-school programme allowing them to complete assignments, carry out group work with classmates or conduct research with the assistance of a university student on weekday afternoons.

Homework Club is held in the Junior School Library between 3.15pm and 6.00pm from Monday to Thursday and from 3.15pm and 4.30pm each Friday, and is well-supervised.

When their classes are finished for the day, girls are provided with a snack and allowed to play or relax for 20 minutes before they sit down to complete their homework. As an added resource, students can use the Junior School IT lab, allowing them to complete research, prepare projects and spend time on Mathletics.

After-School Clubs

Girls from Preparatory to Year 6 are able to pursue talents and subjects not taught in the classroom through the After-School Clubs programme.

The activities on offer change each year and regularly include yoga, art, computing, sports, fitness, cooking and service learning opportunities all led by teachers or experienced instructors.

After-School Clubs are held between 3.30pm and 4.30pm from Monday to Wednesday at no or minimal cost, depending on the activity. Students may move from their specific club when it is finished to Homework Club or Out of School Hours Care until they are collected by a parent or guardian.

Out of School Hours and Vacation Care

Perth College operates a licensed Out of School Hours and Vacation Care programme in the Founders Centre for Early Learning.

This environment encourages play, exploration and discovery in a facility purpose-built for young people. Opened in 2011, the Founders Centre was specifically designed for children, incorporating generous teaching areas and a variety of imaginative outdoor play spaces which invite creative play and games as well as quiet contemplation. The Out of School Hours and Vacation Care programmes operate from a spacious, well-equipped room adjacent to the Kindergarten, opening out on to a garden where Perth College students grow and harvest fruits, vegetables and herbs.

Out of School Hours Care is open between 3.00pm and 6.00pm from Monday to Friday for current Perth College families, as well as on pupil-free days, for girls from Kindergarten to Year 4.

Vacation Care is available to students and their siblings from Kindergarten to Year 5 during most of the school holidays (except public holidays), between 8.00am and 6.00pm from Monday to Friday.

Perth College welcomes enquiries about its after-school activities. Please call (08) 9471 2100, email info@pc.wa.edu.au or visit www.perthcollege.wa.edu.au.
