- The average cost of textbooks for a Year 7-9 student is A\$550 and the average cost for a Year 10-12 student is A\$800 depending on subjects selected.
- The average cost of outfitting a student with essential summer, winter and sports uniform and regulation school bag is A\$1,750. These items are only available from the Uniform Shop on campus.

(e) Oversea Student Health Cover: A Visa length OSHC must be organised by parents at the time of accepting a place at the School and evidence of this given to the School prior to issuing the Confirmation of Enrolment form for Visa Application purposes.

GUARDIANSHIP

Any Overseas Student on a 500 visa not living with a family member in Perth, must reside in the Boarding House on campus. If the student does not have a Guardian nominated, Perth College will request that one is put in place and can assist in this process. Guardians are essential for overseas students as a local contact for the school in routine and emergency matters, for support and wellbeing of the student and legislative Duty of Care.

The Boarding House will close for Mid-Term break in Terms 1, 2 and 3 which means our Boarding Students need to find an alternative home for the student to stay for the long weekend. Perth College can assist in finding this accommodation and ensuring that all safety checks and requirements are carried out and that the hosts are appropriate for our students.

Annual Guardianship Fee is currently A\$2,200 with ISA Perth.

Mid Term break homestay is approximately A\$300 per term. All food and utilities will be provided and hosts are responsible for the supervision and care for the student upon collection from the Boarding House and up to their safe return.

PAYMENT OF ACCOUNTS

The first semester's fees are payable on acceptance by Perth College of the student. Subsequent fees are payable before the beginning of each semester.

Applications to participate in any Perth College organised tour will **NOT** be accepted unless all fees are paid up to date. A late payment fee may be charged on overdue accounts.

No student may commence a new semester unless the previous semester's fees have been paid in full.

INSURANCE

It is strongly recommended that parents ensure adequate personal property and liability cover as the School **cannot** accept responsibility for loss of or damage to personal effects and property or liability incurred by students for bodily injury or property damage.

The School provides insurance for students engaged in work experience activities, course related activities and community assistance programmes authorised by Perth College.

PERSONAL INFORMATION

A student's personal information provided to the School may be made available to Commonwealth and State Government agencies and the Fund Manager of the ESOS Assurance Fund, pursuant to obligations by the School to advise the Department of Education, Training and Youth Affairs about:

- changes to the student's enrolment; and
- any breach by the student of Visa conditions relating to behaviour, attendance or academic performance.

WITHDRAWAL OF PUPILS

Day Students: A full term's notice in writing to the Principal must be given prior to the removal of a pupil, otherwise a term's fees will be charged in lieu of notice.

Boarders: Students may withdraw only at the end of a semester and a full semester's notice in writing to the Principal is required. This applies in the case of a boarder leaving the School or becoming a day student. In lieu of a full semester's notice, a semester's fees will be charged.

REFUNDS

Remission of boarding and tuition fees because of absences due to illness or for any other reason will only be granted in exceptional circumstances.

Specific rules apply to the refund of boarding and tuition fees and other charges for overseas students; please refer to the Overseas Students Refund Policy for these details which can be found on the School's website.
