2016 Annual Giving

CELEBRATING 100 YEARS IN MOUNT LAWLEY
As Perth College commemorates the centenary of students on the Mount Lawley campus in 2016, the School is embarking on an exciting new development—the Senior Learning and Leadership Centre. Due to the significance of this facility to the educational objectives of the School, the Perth College Foundation is refocussing the 2016 Annual Giving programme with the aim of growing the Building Fund.

As a project unique to Perth College, the new facility will support the effective transition of our senior students, in particular by enabling the development of leadership skills as the girls prepare for life beyond Perth College.

Importantly, the new building also includes the Boarders’ Dining Room, which will allow safer access for our boarders during meal times (now the facilities will be on the same side of Lawley Crescent) and provide universal access for students, families, visitors and people with disabilities.
With construction about to commence on the School’s premier development, we are inviting our community to partner with us during this special year of celebrations and make a difference. We thank you for your generosity as we embark on this exciting project.

**GIFTS TO THE BUILDING FUND**

Gifts of any size are gratefully received and will benefit the girls. Gifts made via the 2016 Annual Giving programme to the Building Fund will directly support the Senior Learning and Leadership Centre.

Note: Whilst the School is currently focussing on the Building Fund we are respectful of the wishes of those donors who prefer to support either the Scholarship or General Funds. If so, please tick the box in the How you can help section of the brochure.

**PURCHASE COMMEMORATIVE PAVERS FOR THE LAWLEY WALK @ $1,000 PER PAVER**

(ONLY 354 PAVERS AVAILABLE)

The School was overwhelmed by the success of the Heritage Walk paving opportunity in 2012 to mark the 110-year celebrations. A similar opportunity is now available in various locations leading into the new building. Whilst this project will be based on the concept adopted for the Chapel Quad, it will necessarily be different given the need to complement the design elements of the new building.

**OPPORTUNITY TO SUPPORT THE PURCHASE OF INTERIOR FITTINGS FOR $5,000**

Naming opportunities are available for interior fittings within the new building e.g. dining tables and chairs for the Boarders’ Dining Room, video conferencing equipment, piano and individual stairs within the Open Amphitheatre. This may be an opportunity for individuals, or year groups and friends to join together and leave a legacy during the celebrations of 100 years in Mount Lawley. We would be delighted to discuss these opportunities in more detail if you would like to support the School in this way.

**OTHER GIVING OPPORTUNITIES**

If you would like to hear about other special giving opportunities for this exciting new project, please visit the ‘Giving’ section of the School’s website (www.perthcollege.wa.edu.au). Alternatively, please contact the Director of Community Development by phone (08) 9471 2119 or email foundation@pc.wa.edu.au to discuss these opportunities in more detail.
