GirlPower is a friendship program that inspires “Tween” girls (6 to 12 years old) to feel empowered, develop a strong sense of self, and love themselves while learning to manage the most important things to them...their friendships.

A fun, interactive week long program designed to teach girls how to navigate the rollercoaster world of friendships and embrace their true colors. Through a variety of activities, they will learn how to stand up for themselves without feeling mean and learn language to better express their feelings. Girls will also participate in a number of “girl powering” activities to promote leadership, positive self-esteem, and empowerment.
